FLYING ACADEMY

MIAMI | KTMB |

WE BUILD --- EXPERIENCES

Flying Academy's mission is to make YOU the most professional, skilled and dedicated pilot. We are completely equipped for the challenges of employment opportunities of airlines all over the world.

Our mission is a commitment to our students based on personal approach and care, guide them step by step, close monitoring, and adapting the training.

This is our promise!

OUR STORY

... SO FAR

Perfect safety record,
unprecedented student support,
and best in class training environment is our promise.

International TRAINING

We are Flying Academy - International Flight Training center with more than three decades of experience, founded by airline pilots for future airline pilots.

Perfect SAFETY

The regulation in the United States are very strict about aviation safety. Our fleet is maintained at the highest levels of safety. Flying Academy prioritizes and promotes safety culture in all aspects of its operations.

Our FLEET

Flying Academy, one of the leading global flight schools, is proud to present our fleet. It consists of single and multi-engine aircraft. The whole fleet, at both continents where we operate, consists of over 42 aircraft.

Online TRAINING

With Flying Academy's brand new online classrooms, you can start your theoretical training without leaving the comfort of your home, in a decent amount of time!

USA - FLORIDA MIAMI

KTMB AIRPORT

With the picturesque scenic views and the beautiful warm sunny weather, Miami is an exquisite city for future pilots to begin their professional aviation careers with Flying Academy at the Miami Executive Airport (KTMB). Flying Academy, Miami offers students fun, adventure, and brilliant pilots instructors.

**EXCITING JOURNEY
IN THE SKY**

We grant our cadets a fun and adventurous time through the skies of Florida and Caribbean.

**NEVER COMPROMISE
ON QUALITY**

Flying Academy's mission is to make you the most professional, skilled and dedicated pilot. We are ready to equip you with all the necessary tools you need as a pilot.

**TOP OF THE LINE BASE AT
THE AIRPORT**

With new modern equipment, exclusive studios and innovative technologies, combined with our highly trained and instructors, there is no other competition.

TRAINING LOCATIONS

WORLD WIDE CAMPUS

By shifting our theoretical training online, we now have the opportunity to expand our international community and reach and teach students from around the globe.
